Referred By: \_\_\_\_\_

**VACCINATIONS:** For your pet's protection, no dog will be allowed to attend any class unless all required inoculations are up to date. **Required for Puppy Kindergarten:** Minimum of 1<sup>st</sup> Temporary DHLPP and Bordatella. All other classes : Rabies, DHLPP, and Bordatella.

**Please enter expiration dates:** Rabies: \_\_\_\_\_ DHLPP: \_\_\_\_\_ Bordatella/IntraTrac: \_\_\_\_\_

You may mail a photocopy of your dog's inoculation records with this application, *or* you may bring a copy to the first class. Inoculations must be verified before your dog can participate in class. Please understand that if you arrive for a class with your dog and current inoculations have not been verified, the dog will not be allowed to participate in class. If you are planning on having your dog spayed or neutered, please do not have this surgery done during the training period, or immediately before the session starts. The rigors of training may inflict unnecessary discomfort on an animal recovering from surgery.

Every precaution will be made to ensure a safe training environment for all people and dogs in attendance, however you are participating at your own risk. Aggressive dogs will be asked to leave and can be privately evaluated – you may schedule a consultation with the trainer.

## CLASS RULES

1. Perfect and prompt attendance is necessary. Dog training is a progressive learning experience. You cannot expect your dog to learn if he misses one of the necessary steps.
2. If you must miss your class, call the trainer at (231) 947-5769. You may be able to make arrangements to attend another class, or to meet privately with the instructor prior to or after the next class, or, to schedule a private less at \$25.00 per hour.
3. Wear comfortable clothes and flat, rubber soled shoes. For your protection, sandals, thongs, and high heels or wedge shoes will not be allowed.
4. If your dog has an “accident” in class, or anywhere in the building or on the outside grounds, the instructor will hold your dog while you clean up. Clean up equipment is provided.
5. Please make sure that your dog is free of fleas, ticks, and intestinal parasites. Dogs with any apparent symptoms of illness (runny nose or eyes, cough, loose stool, etc) will be asked to leave.
6. It is your responsibility to call the instructor if there is threatening weather to learn if your class has been canceled. Any decision to do so will be made by 3:30pm for evening classes.

**\*There will be no refund of tuition after attendance in two class sessions.**

**I have read and understand the conditions and rule of the class and agree to abide by them.**
